## FOR SEVERAL REASONS

We are heartily in favor of Jacksonville for our state capital for several reasons. Chiefly, because it is the most accessible from all parts of the state of any of our cities, and because its people have the money and the will to give us a capital that will be a credit to the state.—Daytona Journal.

The Star begs leave to differ with the Journal. Let the editor of the Journal get a map of the state, locate Ocala, take its two trunk lines of railroads and then say whether to the greater number of the people of the state, it is not more accessible than Jacksonville. Its other reason is because Jacksonville has the money. Does the Journal mean to say the people of Jacksonville will build the capital building without taxation to the people of the state? The proposition is a new one.

The Leesburg Commercial says on the capital question, that Mr. Will Hocker's plan of a preliminary election to decide which town of the aspirants is to be the place to be pulled against Tallahassee, is the correct one, or the capital will remain on the red hills of Leon and it will be the bounden duty of the next legislature to make a large appropriation for the enlargement and improvement of the present capital building. The Commercial evidently leans toward Jacksonville.

The Madison Recorder is for Tallahassee on the capital question. It says it is Jacksonville's greed of gain that made it enter this fight, but the prognosticator who gave Madison county to Jacksonville will find out how far wrong he was after the election in November.

## ROBBED THE GRAVE

A startling incident, of which Mr. John Oliver of Philadelphia was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately a friend advised trying 'Electric Bitters,' and, to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents. Guaranteed at Garrett & Gerig's, Ocala, and all other drug stores.

## CAPITOL REMOVAL COMMENT

Opinions of the State Press—Straws that Show Which Way the Breezes Blow

## OCALA IS THAT CENTER

Jacksonville is in the north-east corner of the state, very close to the border on both sides. If the capital must be moved it should be moved to a central location.—Tampa Times.

## WILL DRAW OUT VOTES

The capital question is getting more interesting. Lake City, claiming to be only eight miles from the geographical center of the state, has entered the fight for the capital site. With Jacksonville, St. Augustine, Ocala, Gainesville, Lake City and Tallahassee contending for the capital, there should be enough interest created to bring out the largest vote in Florida in her existence.—Calhoun News.

## MAJORITY FOR OCALA

There were between two and three thousand tickets sold for the Ocala excursion on Tuesday from all points on the Plant System. Ninety-seven tickets were sold from Brooksville. In Ocala every one was talking capital removal. The majority of our people, on account of the close proximity to Ocala, will favor this place for the capital, but Jacksonville has a number of friends in this section whose influence will be felt when the time of voting comes.—Brooksville Star.

## OCALA WILL PRESENT HER SIDE

Both Jacksonville and Ocala have signified that they would not be averse to having the support of DeSoto county in the selection of a new site for the state capital. Each would afford a splendid location, as would two or three other prominent aspirants for the honor whose claims have not yet been so zealously brought to notice. It will be time enough for the good people of DeSoto to decide as to which of the several sites proposed best suits them after the advantages and disadvantages of all the aspirants shall have been presented and considered.—Punta Gorda Herald.

Jacksonville, Ocala and Gainesville are all putting up a good fight to secure the state capital. The city with the most money will no doubt win.—Starke Advocate.

## FOR WHOOPING COUGH

"Both my children were taken with whooping cough," writes Mrs. O. E. Dutton, of Danville, Ill. "A small bottle of Foley's Honey and Tar gave such relief that I used a 50-cent bottle, which saved me a doctor's bill." Anti-Monopoly Drugstore, Ocala, Fla.

# HEALTHY OLD AGE SSS

The majority of persons upon reaching middle age and past find their blood becomes weak and thin, and diseases that were easily controlled in earlier life begin to affect the constitution.

Those predisposed to Scrofula, Cancer, Rheumatism, Gout and other hereditary troubles may escape till then, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for diseases. At this critical period of life the blood must be re-enforced before it can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S.

S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitution. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood, and prevents the development of disease.

S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other mineral poison can be found in it, and it may be taken for any length of time without harm.

S. S. S. is the only remedy that reaches deep-seated blood troubles like Scrofula, Cancer, Rheumatism, Eczema, Tetters, etc. It purifies and restores the blood to a healthy, normal condition, and makes it impossible for any poisonous waste materials to accumulate.

If you have an old running sore or an obstinate ulcer that refuses to heal, or are troubled with boils and carbuncles, try S. S. S. It never fails to make a quick and permanent cure of these pests. If your system is run down and you feel the need of a tonic, S. S. S. will strengthen and help you as it has many others to a happy, healthy old age.

S. S. S. cured Mr. H. Borden of Saunsville, Va., of a case of Eczema of thirty-five years' standing. The best physicians in the surrounding country had failed. This was seven years ago, and there has been no return of the disease.

If you are in doubt about your disease, and will send us a statement of your case, our physician will give you any information or advice wanted, for which we make no charge.
